Ce înseamnă ABE/ COG?

ABE (Allgemeine Betriebserlaubnis) este un termen german care se traduce ca "Certificatul de Omologare Generală (ABE/ COG)". În contextul vehiculelor și componentelor moto, cum ar fi kituri de reducere și ridicare înălțime pentru motocicletă, ABE este un document oficial emis de autoritățile germane care atestă că produsul respectiv îndeplinește standardele și reglementările de siguranță și calitate necesare pentru a putea fi utilizat pe drumurile publice. Această autorizație demonstrează că produsul respectă cerințele legale și este potrivit pentru utilizare pe șosele, asigurând astfel că modificările aduse vehiculului nu pun în pericol siguranța rutieră sau mediul înconjurător.

**Alegând BRS PERFORMANCE, alegi calitate, inovație și pasiune pentru motociclism.

În urma modificării geometriei suspensiei datorită scăderii în înălțime, comportamentul de conducere poate să se schimbe, iar posibilitatea de înclinare în viraje poate să fie limitată. Vă rugăm să vă adaptați la noile condiții în primele kilometre de conducere, prin adoptarea unei abordări atente în conducere.
